## Tools and Tips for Keeping Your Data Safe

### You've got a partner in identity protection.

With Credit Union membership, you've got access to a variety of ways to stay in touch with your accounts and keep an eye out for intrusions:

- If you haven't done so, sign up for **Online Banking** to practice one of the most effective measures: regularly reviewing your accounts for suspicious activity.
- Enroll in **Account Alerts** to receive notifications for unusual account activity.
- Get anywhere/anytime account access from the **Mobile Banking App**, allowing you to always stay on top of your key info.

### Remember these helpful tips:

- Use SavvyMoney® to access your credit report and check for any unrecognized accounts.
- Never give out personal details unless you have initiated the contact.
- Never click links from unknown senders.
- Never use public Wi-Fi for financial transactions.
- Never accept a check in exchange for wiring money.

### *Start protecting your identity now.*

Take advantage of all the ways the Credit Union can help you stay safer.

The Credit Union provides SavvyMoney as a free service for all members. You get continuous access to your credit report and score, along with security alerts anytime something changes on your report.
