

Travel Rewards Visa®

Unlimited Rewards, Endless Possibilities

CURewards Program Rules

You will earn 2 points per dollar on net purchases (purchases minus any credits or returns). Cash advances, balance transfers, convenience checks used to access your account, and any fees posted to your account will not earn rewards. There is no limit to the number of points you can earn or accumulate on purchases, and your points never expire as long as your account is open and in good standing. If your account is closed by you or by BCU, you will lose any rewards you have not redeemed.

Your account must be open and in good standing (not cancelled or terminated, not delinquent, over limit, or otherwise not available to use for charges) at time of redemption. Points have no cash value. Points in this program cannot be exchanged for cash and cannot be combined with cash to obtain merchandise rewards.

Each calendar year (January 1st through December 31st) you will receive 10,000 bonus points after making \$50,000 in net purchases (purchases less any credits, returns, and adjustments) to your credit card. After qualifying, the 10,000 bonus points will automatically be deposited to your CURewards balance within one credit card billing cycle.

In addition, you are eligible to receive one (1) statement credit of up to \$85 for TSA PreCheck® or \$120 for Global Entry fees every four (4) years if all required criteria are met. These criteria are the TSA PreCheck® or Global Entry fees must be posted to your Travel Rewards Visa® account, and this account must be open and in good standing (i.e., not cancelled or terminated, not delinquent, over limit, or otherwise not available to use for charges). Your statement credit will be posted to your account six to eight (6-8) weeks after either the Global Entry or TSA PreCheck® program application fee transaction is charged to your credit card account.

Travel Purchase Rebate—Redeeming Points For Previous Travel Purchases

You can make travel purchases directly from any travel provider using your Travel Rewards credit card account and redeem your points to receive an account credit (in the form of a statement credit) for the amount of your travel purchase. Qualifying purchases include airline tickets, airline booking fees, car rental, hotel stays, vacation rentals, cruises, or vacation packages. Qualifying travel purchases are determined solely by BCU. Partial redemptions (redemptions for part of a travel purchase charged to your Travel Rewards account) are available.

Your redemption request must be submitted within 180 days of the purchase transaction date.

A minimum purchase amount of \$50 (or 5,000 points) is required for each travel purchase redemption request. Your purchase rebate request, no greater than the amount of the purchase transaction, will be disbursed, usually within 5-7 business days after your request is processed.

Booking New Travel

You can redeem your points for new travel purchases through the CURewards Travel Center. A \$15 booking fee is charged for each travel redemption. Refer to the CURewards website for a complete listing of Travel Redemption Terms and Conditions.

Gift Card Redemptions

Gift card offerings may include both traditional (plastic) gift cards and electronic gift cards (eGift Cards). The minimum gift card redemption amount is \$25. Expiration policies and non-usage fees may apply to the extent allowed by law.

Merchandise Redemptions

Merchandise prices include shipping and handling. Shipping and handling prices are determined at the time of selection and vary based on the ship to address and the items purchased.
